# Champion Children

**"A program focused on the special  
needs of extra-special children!"**

Finally, a specialized, innovative class pertaining to the special needs of those who require additional support. This program will give each student a sense of belonging while enforcing the skills of focus, control and discipline using the ancient methods of the martial arts in a positive, fun and educational environment.

Together, we can help create a more focused child who will love being part of our program! Children enjoy our professional instructors as well as belong to an awesome Karate school! Don't delay because space is limited. Call today to set up a no-obligation FREE private evaluation. You will see first hand why others are raving fans of Go No Sen Karate! Our goal is to go above and beyond what is "Possible!"
